MEMORANDUM FOR THE RECORD

SUBJECT: Initiation of Dissemination of the Science and Weapons Daily Report to HPSCI and SSCI

Beginning 08 November 1988 CIA will start sending the Science and Weapons Report (SWR) to SSCI for Ed Levine and HPSCI for Jack Keliher, Duane Andrews, and Marty Faga only.

The SWR will be sent to the above mentioned Committees directly from CPAS on a SAME DAY READ AND RETURN BASIS and cannot be retained overnight. If the staffers cannot read the document on the day it is sent, it will be returned for storage and sent again as requested. CPAS will send the documents to OCA for destruction. The SWR cable will continue to be sent to the Committees until further notice.

This arrangement has been approved by Richard Kerr, DDI, and [ ] D/OSWR. ORCON approval has been approved by the DO [ ] and NSA [ ] Chief, (PO522). STAT
